Special Information for Dealers at the RMS.

1) Dealer rooms are assigned to a single floor by lottery. **For this reason, you need to make your room reservation through Helen Chamberlain with this form and not directly through the hotel!** To be included on the dealer floor, you must stay for a minimum of three nights and pay the security guard fee. Advanced payment for one night must be made below by credit card or check. All occupants of a dealer room must pay the registration fee.

2) Remember, the furniture is permanently attached and cannot be moved. The beds have no accessible space underneath. You will be responsible for any room damage, so please be particularly careful. Thank you! One 6-foot table will be provided free. Order additional tables below.

3) Dealers must provide their own mechanical devices for moving their stock into their rooms.
