President's Report

Happy New Year 2018

Hello to you all, SFMS members and Clubs. Just a little about myself. I am a Lifelong member of the Jacksonville Gem and Mineral Society, Inc., Jacksonville Florida. At the age of 12, I began collecting rocks on the railroad near my house. I joined the JGMS at the age of 16 in the fall of 1959. I was blessed to be JGMS president in 1971/1972 and again in 2016. Lots of FUN and Memories which continue until today. At the moment I am the Chairman of the COPS program at JGMS. COPS stands for Community Outreach Program and S is just for fun. COPS is the Outreach arm of our Club to Local Schools, Boy Scouts, and other groups and Displays in Public places. I really enjoy
participating in this.

Just a few words of comparison. Fireworks and Seeds. Well here is the thought behind the words. First fireworks, they go off with a swish and a loud bang. They go up, explode with a flash of light and a big bang, soon over with little to have except memories. The second thought is about seeds. They are of little significance at first, but time and patience will pay off in produce that has lasting results. A small seed planted today may take many years to grow, but in time will produce a lasting crop. Not much fanfare at the planting, but over time and care the trees will give fruit to generations to come afterwards.

I want to plant seeds of growth, hope and expectation. Most of the time it's the next generation who benefit from the labor of planters and cultivators. My thought is to build on the leaders who have in these past years sent out a call to old and new SFMS members. Let's plant and build now for a more solid productive future.

I am open to suggestions, encouragement and help in any possible way. It only takes a spark to send off fireworks, but it takes many hands to bring an orchard into production.

I love and appreciate each of you in the rockhound world. While some are looking up for the flash of light and boom, I'm looking for the real FRUIT that will last and keep giving over and over for a lifetime to come.

As your SFMS president I am asking and encouraging all members to ask yourself. Am I doing all I can to support SFMS activities. Remember this thought. Train tracks are of no use until the wheels of the Train start turning. So, get on board and make 2018 an Express year.

I look forward this year to growth, strength and most of all making New friends. See you at the SFMS meeting in Augusta, Ga. March 9,10 & 11. 2018

Craig Hamilton, SFMS President

MAYO Educational Foundation Meeting:
Immediately Following Adjournment

Old Business:
Jerri Heer – Officer Bond Research – Have contacted the Bonding arm of BB&T Corporation, which is
our bank. Buddy Shoots what kind of limits we were seeking. Estimating $100,000 of risk. Linda Matvey
asked about limiting the number of signatories. Discussion followed about those that needed access to
various accounts. More information will be forthcoming.
Craig Hamilton – Community Outreach – Seeking members to serve on the Education Committee,
Danny Griffin and Lisa Roberts agreed.
Intent is to convince people to get involved. Gail DeLuca indicated that she was drawn in because of Workshops.

Plan to place an emphasis on youth – ie: JGMS offers Youth Days to draw in Youth members and their parents

COPS – Community Outreach Program – Must be proactive – approach schools, scout groups.

Jim Roberts commented that some clubs are dying out – his club only has 10 active members – difficult to run programs with that.

Teresa expressed need to work with State Directors and have State Director work with the clubs.

Jerri commented that there is no magic bullet, different clubs will have success with different approaches. Key is to have a variety of strategies available.

Teresa – will pursue committee work more diligently.

Break announced – adjourned at 9:59 AM for Break

Returned from Break at 10:34 AM

New Business:

Teresa Polly: Proposed allowing a Stipend for SFMS Representation at AFMS Meeting. VP Craig Hamilton could not attend, and Teresa Polly had to leave before all meetings attended. Leslie Wayment attended on his behalf. After discussion about cost items to cover and limits Bill Waggener made a motion that Leslie be reimbursed at a rate of $0.14 per mile and for 4 nights of hotel, up to a limit of $2000.00. Jerri Heer seconded. Motion carried.

Lisa Roberts: Suggested that we consider stipends for SFMS Board Members to attend meetings. Leslie indicated that we consistently have difficulty recruiting for officers and State Directors because of the cost involved in attending meetings.

Barbi Beatty made suggestion to consider some reimbursement for travel over 50 miles, requiring overnight.

Reggie Bolton suggested that receipts should be required to provide evidence of expense

Travis Paris commented that this should not be intended to provide total reimbursement, but just to take the sting out of it.

Barbi reminded that no one would be required to request a stipend, just an option for those for which the cost is a hardship.

Barbi commented that such an expense on a regular basis would necessitate dues increase to cover in the budget. Discussion continued about funding issues, numbers of members, maximum annual cost etc,

Reggie commented that we need to demonstrate our value to our membership.

Phil Kaiser commented that this feels like congress voting a pay raise.

In order to focus and bring discussion to conclusion, Bill Waggener made a motion to offer up to $100 stipend for quarterly meetings, $200 for Annual meetings for Executive committee members who travel over 50 miles. Barbi Beatty seconded.

Teresa reminded that this year would likely include an increase in insurance costs, and Wayne Dodd reiterated that the SFMS needs to demonstrate our value to clubs.

Teresa called for a vote, Motion failed.

Mari Webb suggested that we use the Lodestar as a forum to bring issue up to membership for future pursuit.

Topic tabled to Old Business for future consideration.

Election of 2018 SFMS Executive Officers:

Proposed Slate:

President: Craig Hamilton
1st VP: Reggie Bolton
2nd VP:
Treasurer: Mari Webb
Membership: Jason Hamilton
AFMS President Elect for 2019: David Wayment

1. Leslie Wayment opened a discussion about qualifications for President. Indicated that her experience
is that the SFMS has a poor reputation with the AFMS. Jerri stated that our job is to serve our members, not impress the AFMS.

2. Teresa commented that ours is the youngest region, least experience. She found that her duties and parameters were not clearly defined or explained. Discussed the need to review/revise Operating Procedures to assist new officers in understanding their responsibilities. Slate is not full, because we have difficulty finding candidates.

3. More discussion as well as appeal to the floor for a 2nd VP candidate.

4. Lisa Roberts asked for nominations from the floor, twice as required.

5. Buddy Shotts made a motion to accept the slate as presented, Dave Wayment seconded. Motion Carried.

- Lisa Roberts presented slate for MAYO Foundation Directors:
  - Bill Waggener – Director
  - Janet Steeper Director
  - Wayne Dodd – Director
  - Jerri Heer – Director
  - Mayo Family Member seat – Open

Motion made by Buddy Shotts to accept, seconded by Dave Wayment. Motion carried.

- 2018 Budget – Using 2016 actual, 2017 proposed and to date figure, the body went line by line through the budget to create a proposal for 2018. Motion made by Bill Waggener, seconded by Dave Wayment to accept budget as discussed and determined by this body. Motion carried. Mari Webb will produce official copy for distribution.

- Jason Hamilton introduced the Nature’s Society of Majestic Arts (Formerly Canton Mineral Club) which has made application for membership. Motion by Jerri Heer, seconded by Buddy Shotts to accept application. Motion carried.

- Adjournment at 1:17 PM

Respectfully Submitted,

Jerri A. Heer

Website contest
Sadly, I have to report that there were only 2 entries in the 2018 website contest this year, down from 5 last year and down from 8 the year before that! The deadline was very short this year due to the AFMS convention in April, but I gave all the webmasters a couple of months notice. Hopefully next year, we will have a better turnout for the contest.
