President's Report

- Craig Hamilton

“Rolling Stones”

“Rolling Stones gather no moss”. Much to be understood concerning this truth. Just to demonstrate this idea are stones that we placed in our landscapes and gardens. In time these objects of beauty and admiration will dull and grow moss with passing of time. To keep this from happening and make them shine and look their best takes EFFORT.
This is true especially when you want a worthwhile situation to look its best and operate with real efficiency. SFMS has existed all these many years as a SERVICE ORGANIZATION for the benefit of all its Clubs and members. Folks, SFMS want continue with Little or no EFFORT. Like I said, any organization MUST have men and women who put forth EFFORT to not only maintain, but grow in the future.

SFMS needs several KEY board members RIGHT NOW. I urge and request ALL Club Presidents and ALL members to consider how they can serve this organization TODAY and in the near Future.

Not much need right now for President Messages filled with clever expressions and info about otherwise useless facts if the REAL WORK is not attended to. You and I MUST do our duty for the common good and benefit of ALL our Clubs and Members.

SFMS - NEEDS - a 2nd Vice President, and an Assistant Treasurer RIGHT NOW. Plus other Officers in the near future to fill board positions. Talk it Up. Talk it up. TALK IT UP. I request ALL local Club Presidents to please reply to me with your thoughts. I ask that you Call, Text. Or e-mail me with ANY Fresh ideas or with the name of someone who may volunteer. I am waiting for you to CONTACT ME.

HOW CAN YOU AND I DO BETTER?

Secretary's Report
- Jerri Heer

March Executive Meeting Minutes
SOUTHEAST FEDERATION OF MINERALOGICAL SOCIETIES
EXECUTIVE MEETING AGENDA
March 10, 2018, Augusta, Georgia

Call to Order: 9:01 AM
Invocation - Craig Hamilton
Pledge of Allegiance
Introductions - made around entire room
Host Welcome: Augusta Gem and Mineral Society, Aiken - None

Ways & Means: Craig Hamilton, Reggie Bolton, Barbi Beatty – No Report

Website: Jeff Ursillo – No Report

Website Contest: Jeff Ursillo – No Report

<Break> 9:53 – 10:15 AM

MAYO Educational Foundation Meeting:

Canceled for lack of Quorum

Old Business:

Bonding - Jerri discussed progress seeking bonding, has obtained an application from the Insurance arm of our bank : BB&T. The application has many parts that seem to be designed for retail – for profit organizations. Still working on it.

Seeking 2nd VP - The position would be appointed by the Board of a qualified individual applied.

Bylaws Review – Danny Griffin has been digitizing the Bylaws, in process of adding all of the recent amendments. Suggestion was made that the Bylaws committee headed by Lisa Fitch and perhaps with other volunteers, needs to do a thorough review of the Bylaws to zero in and correct inconsistencies,

Ad-Hoc Committee to explore travel stipend issue – No report, issue still tabled.

New Business
Treasurer: Craig Hamilton made appointment to keep Acting Treasurer Barbi Beatty as Treasurer. Dave Wayment made a suggestion that we all return to our clubs to ask if there is any interest from their members in serving as Assistant Treasurer or 2nd VP.

Leadership: Teresa Polly brought up the necessity of professional behavior from all officers and other volunteers. Visitors to our meetings must go away with a positive experience. Mary Jo Theiss from the Port St Lucie Club commented that she sees that we work a lot harder than she thought. Clubs need to be sure that contact information is updated so that SFMS can reach out.

Craig Hamilton hopes to provide direction and leadership, encouraging clubs to step up to the plate providing volunteers to serve in any capacity in the SFMS. State Directors are our representatives to the clubs. Phil Kaiser, Alabama State Director, stated that State Directors need more direction, Jason Hamilton stated that the position needs to be redefined and that State Directors must attend meetings to keep up with SFMS issues.

Travis Paris indicated that he believes that State Directors must visit clubs, make reports and attend SFMS Meetings.

Phil Kaiser expressed his concern that one year is too short a term for primary officers: President and VP's. By the time they are up to speed on their jobs, the job is done.

Motion made by Teresa Polly to adjourn, second by Dave Wayment. Motion carried, meeting adjourned at 11:14 AM.

June Meeting Announcement and Registration

SFMS 2nd Quarterly Meeting Information June 9-10, 2018
Tellus Museum, Cartersville, GA

Friday night 7pm Pre Meeting will be at:
"Panera Bread", 104 Main St. Market Place SE, Cartersville, GA 30121
(678-535-5012) Show up at 6pm to eat, Meeting at 7pm, Store closes at 9pm.

DON’T MISS OUT...

William Holland Workshop

SFMS Federation Week

June 10-16, 2018

Tuition $395

Join us for the 2018 SFMS week at William Holland. We have an awesome week planned for you this year with a talented group of instructors. Please follow the links below to the website, to download the registration form and Facebook page to read more about each instructor, check out the photo album of their class samples.
We are trying hard to fill all of our classes so we are asking for your help to share this information with your local clubs. Please go to the FB page and share with your local club pages. We really appreciate your help and look forward to seeing you this year for Federation week! The class descriptions, pictures and registration form are on both of these sites. http://sfmsworkshops.com

**Safety**
- Bob Green, Chair

Last month I was “eagerly” awaiting my trip to Toronto. Well, clearing customs in Toronto was a lengthy experience, since several planes arrived at the same
time. Clearing customs on the way back was much easier, however, the plane was 1.5 hours late leaving and the issue seemed to be the toilet systems, since a plumber arrived and worked on the plane. That was the first time that I have seen a plumber going onto an airplane. The guy I was traveling with told the story that one short trip that he had taken recently; the crew advised go to the bathroom before getting on the plane, because the toilet was inoperative.

Now the safety topic this month has to do with the weather and the response we take to the increasingly warm weather. For those of you further south, you have already had warmer weather. We in the upstate of South Carolina seemed to go from frost to 90 degrees in a couple of days. So the body reacts differently in those conditions. As the weather get warmer, it becomes more important to keep hydrated. We worked a booth at the gem show in Franklin, NC this past weekend and of course had plenty of water on hand. The weather was nice, not too hot, but sitting under a tent in the sun, you get a good bit of radiated heat from the tent roof. This becomes more noticeable when the breeze stops. Then yesterday, my poor car got its annual bath. The water kept the body cool but I was less cautious about the sun bearing down. I did not wear a hat as I should have. And I did not wear sun screen. We had a vacation to Australia in January and we visited a beach. I put sun screen on most of the normally exposed body parts, arms, head, always wearing a hat, and legs. However, I ignored my feet and sunburned the top of my feet. I had a painful few days before the “hots” passed.

Also, with the warm weather, there is a tendency to do more cleaning and removal of the stuff that we are not happy with, like weeds and wisteria. This means the use of weed killer and other chemicals to improve our spaces. Many of these chemicals are not kind to mammals, including your pets and yourself. So follow the directions and wash your hands after using these chemicals.

There was a cautionary note on the tv the other evening about snakes being on the move now that the weather is warmer. This may be a good thing, if you have mice and you have a black snake around, your mouse population should decrease.

So as the more intense sun rays become upon us, always wear appropriate clothing and sunscreen and wear a hat or cap to protect your head from the sun. One thing about the folks in Australia, they are very mindful of the hazards of not protecting yourself from the sun, most folks at the beach have more than just a skimpy bikini. Most folks wear a cover as protection. So, wear what is responsible and be careful. Do not over-do it.

**Dixie Mineral Council**

**June Field Trip Announcement**

The June DMC Field Trip to Coon Creek is currently full with the maximum that is allowed, and there are several on the waiting list.

Thanks,

Middle Tennessee Rockhounds
February Field Trip Report
Hosted by the Mobile Rock & Gem Society
By Larry Landry

Those of you who missed The February DMC Field Trip to Summerville, Georgia really missed a good time and very productive trip. Despite the continuous rain that fell on us, an abundance of lace agate was found by everyone who attended the dig. In fact, the rain helped uncover the agate without having to dig for it.

We are all so grateful for the super nice folks at the quarry for allowing us to rockhound there.

[Clubs that are interested in the SFMS DMC field trip sharing program can learn more about the program and download a membership application form from the DMC pages on the SFMS website: http://www.amfed.org/sfms/_dmc/dmc.htm]
GEM AND MINERAL SHOWS

May 19 & 20, 2018; Biloxi, MS

July 28 to August 5, 2018; Spruce Pine, Nc
The 34th Annual Grassy Creek Mineral and Gem Show put on by the Parkway Fire and Rescue to raise money for new equipment. Over 60 US and International dealers with almost any kind of jewelry, gemstone and mineral specimens, fossil, lapidary equipment and more you might want. Each booth is 20 foot by 40 foot so there are LOTS of items for sale.

Parking and admission are free.

Food is available.

Hours: 10 to 6 daily with many vendors open earlier and later because they are staying with their booth.

Address: 136 Majestic View, Spruce Pine, NC 28777. This location is on the hill above the previous location.

Contact: Donna Collis collisdonna@yahoo.com 828-765-5519

**November 10 & 11, 2018; Melbourne, FL**

Canaveral Mineral & Gem Society

45th Annual Parade of Gems Show

The policy of the Southeast Federation of Mineralogical Societies, Inc. is that neither the name nor the logo of the Federation may be used for commercial purposes. If any commercial ventures using the name or the logo of the Federation are found, Member Societies and their members are requested to advise Federation Officers.
