President's Report

Hello Fellow Rockhounds,

All the SFMS workshops for 2016 are done. Every year I say, this has been the best year ever.

How could the SFMS workshops get any better? More returning students and more new students!

See you at SFMS Workshop 2017  June, August, and September

Have you made plans for the annual SFMS meeting in November?  All the info is on the SFMS website,

And in the Lodestar. I hope every club in the Southeast Federation has a delegate/representative at the meeting. Come join in on all the fun! A big thank you to all that have been working so hard to plan the 2016 SFMS Annual Meeting. I look forward to seeing
everyone in Georgia. If you have a chance before the meeting, go to the SFMS website and read about the Founding of the Southeast Federation. Our 1st year started in 1976 “40 years ago” 1st President Frank Mayo (Deceased) Cobb County Gem and Mineral Society Marietta, Ga. This year we should celebrate the people that have volunteered their time before us, because without them, we would not be able to enjoy the Southeast Federation Mineralogical Society as it is today!

Start this year, be a part of the SFMS next 40 years, volunteer for a position

A very sad note:

Long time member and friend too many in the SFMS passed away early Sunday October 9 Will Herman Smith, Jr., Mid-Tennessee Gem and Mineral Society. In lieu of flowers, please consider a memorial contribution to your church, favorite charity, or Mid-Tennessee Gem and Mineral Society (c/o FiftyForward Donelson, 108 Donelson Pike, Nashville, TN 37214
