UPCOMING FIELD TRIP

March 28, 2009: Memphis Stone and Gravel Co. Quarry, Arlington, TN; hosted by the Memphis Archaeological and Geological Society. Chert gravels with Mississippian, Devonian and Silurian age fossils, petrified wood, agate, conglomerates, quartz and other rocks and minerals associated with regional alluvial terrace deposits of Pleistocene/Pliocene age.

See your local club newsletter for additional information on the above field trip.

Field trips are open to all members of associated clubs of the DMC program of the SFMS Field Trip Committee and to all members of SFMS member clubs who have provided their membership with SFMS liability insurance. Because of insurance requirements, members of the GENERAL PUBLIC are NOT invited on this or any DMC program field trips.

and is your drive user-friendly? We tell all new visitors that our drive is all gravel and can be a challenge after rain or snow. The drive is steep and very curvy and, at times, requires four-wheel drive. We have even gone down the hill and picked up guests and ferried them up.

The last category to consider is whether or not you have pets. Our life is enhanced by our Jack Russell Terrorist (Terrier) which loves everybody but we know that everyone does not love dogs. There are those who had a bad experience in their past or have an allergic reaction to cats or dogs.

For the benefit of your family and all who may visit, study your house and look for any and all potential problems.

SFMS 2009 WORKSHOP NEWS

This is a short note to clarify information about Mary Ann & Ken Devos’s Precious Metal Clay class in September at Wildacres. They have decided to teach their first Level 3 Certification class at Wildacres. I know there are quite a few students who have received the Level 1 and 2 Certifications from Mary Ann and Ken. Now is your chance to take it up one more notch and get that final Certification. If you would like more information on the Level 3 Certification visit their website at www.pmcconnection.com.

Another instructor with a website of her own is Barbara McGuire. She will be teaching Art Clay Silver and Polymer Clay at Wildacres. Barbara wowed the crowd last year at Wildacres with an amazing Polymer Clay demonstration. I expect that class to fill very quickly. Her website is www.barbaramcguire.com.

Don’t forget to sign up for the class of your choice soon. The classes will fill up quickly.

WANTED!!!
ARTICLES
FOR THE MARCH ISSUE
OF LODESTAR

Do you notice anything different about this issue of the Lodestar? It is very late and short. A lot of people had corrections to names and contact information, but few articles were submitted. If it were not for the safety article, workshop information, schedule, and registration form, and show announcements there would be almost nothing to publish this month. I kept waiting on (and bugging) people for articles to no avail. If you want to keep people abreast of what is happening in the federation, I need articles from you. I have neither the time, nor the inclination to write articles for you or to ceaselessly contact you for them. From now on, I will no longer extend deadlines, whatever I have by the 25th of the month prior to publication will be what will be published. Hopefully, we will not have a lot of white space in the March issue.

JANUARY 2009 SFMS FIELD TRIP REPORT
Diamond Hill Mine
Antreville, Abbeville County, South Carolina

The dig at Diamond Hill was an overwhelming success. The weather was perfect. A total of 147 "rock hounds" representing clubs in 7 states turned out in force. For many it was a family affair. Parking was a challenge but it all turned out well. Many volunteers from the hosting Athens Rock and Gem club helped the dig run without a hitch. A lot of nice specimens were found including single crystals and nice-sized clusters of amethyst. There were a lot of "happy campers" by the end of the day.

2009 AFMS Webmaster Contest Is Off And Running

By Phyllis George
Webmaster Contest Chair

This contest exists to help the various webmasters enhance their club Web sites in an effort to increase the interest of the general public in the gem and mineral hobby, to gain new members, and to serve as a source of current club information for their members. Through this contest the judges assigned to the seven regional federations—Mike Baldwin, Stephen Douglas, Dan Imel, Wes Lingerfeldt, Al Pennington, Win Robertson, and Don Shurtz—are serving as mentors for these various clubs by giving the webmasters encouragement and friendly constructive criticism on what they are doing right and where they need to improve.

The Webmaster Contest also has its own logo! Ron Gibbs, editor and webmaster for the Charlotte Gem & Mineral Club of Charlotte, North Carolina, is also a graphic artiste extraordinaire. Ron donated his time and expertise to design and develop our logo. Thank you to Marty Hart for steering me to Ron and his skill.

I’ve received e-mails telling me that the judging information and guidelines published for the contest have already helped some of the webmasters who want to improve their sites.

Dan Alfrey, webmaster of Lake George Gem & Mineral Club, Lake George, Colorado wrote: “We’ve had a lot of fun with our site. This contest truly has motivated our club to update our site and make sure everything is fully functional! We sincerely appreciate the guidelines and scoring references in order to help make the site more informative and complete!”

Bob Loeffler, webmaster of North Jeffco Gem & Mineral Club, Arvada, Colorado wrote: “I think this contest is a great idea because it might help push clubs to create a Web site (if they haven’t already done so) or keep their existing Web site updated with fun and relevant info to help educate the public.”

All the entries submitted to this brand new contest from the various regional federations are now in the hands of their assigned judges. Two judges are assigned to each region, but none of the judges is from the regions they are judging. Each contestant’s combined scores from the two judges will be averaged to determine his or her final placement in their region.

No trophies will be awarded at the regional level. The original plan was to award a trophy to the first place winner in each regional federation. I just learned that the regional federations have not had an opportunity to vote on whether they support the Webmaster Contest, so no regional first place plaques can be awarded this year. However, we will be awarding certificates for each of the top ten places and for honorable mention. I apologize to everyone who is disappointed about this, but the contest will be running for at least two more years, so maybe the policy can be changed going forward.

So there will not be a plaque awarded to the first place regional federation winners, but I think they will receive something far better than a plaque. The first place winners will each have their entries forwarded to Bob Keller, the man who is judging at the AFMS level.
2009 AFMS Webmaster Contest Is Off And Running
(Continued from Page 4)

Bob is the first rockhound webmaster to have a presence on the World Wide Web—the Internet. Bob put the first rock shop up on the Internet in March 1995, and he called it Bob’s Rock Shop. It began as a home page with eight or so images of rocks from his own collection. It is still called Bob’s Rock Shop and is still at www.rockhounds.com, but it is now far more than that.

Bob will give the regional first place winners the benefit of his wisdom, his extensive Web experience, and his knowledge of what works and what doesn’t. He will analyze each of the sites forwarded to him, and he will give useful feedback on what is being done well and how each site can be improved. Thank you, Bob, for agreeing to participate in our contest, for giving our first place regional winners the benefit of your hard-won wisdom as the world’s premier rockhound webmaster, and for helping us achieve our goal of having rock and gem club Web sites that are as good as they can be.

All the contestants at the AFMS level will receive a certificate signifying their rank, and the first place winner will also receive an AFMS first place plaque.

The results of the various regional Webmaster Contests will be announced at the annual meetings of the regional federations during their Bulletin Editors’ Breakfast. The results of the AFMS Webmaster Contest will be announced at the NFMS/AFMS joint Show & Convention in Billings, Montana on August 1 during the Bulletin Editors’ Breakfast.

2009 SFMS WORKSHOP INFORMATION

One of the unique facets of the Southeast Federation of Mineralogical Societies is the Workshop Program, which offers members the opportunity to gather for week-long, hands-on seminars taught by experienced instructors. Whether you are a newcomer to the lapidary arts and want to learn the basics, or whether you're an old hand who wants to learn something new or move on to the next level, the Workshop Program has something for you. We look forward to seeing you in 2009.

William Holland School of Lapidary Arts [www.lapidary.com](http://www.lapidary.com) is located in the mountains of north Georgia near the North Carolina border. Wildacres Retreat [www.wildacres.org](http://www.wildacres.org) is a privately owned conference center nestled in the North Carolina mountains near Little Switzerland. Please visit these websites for additional information.

Who May Attend

Anyone belonging to an SFMS club will be given priority. Student under 18 are welcome, but must be accompanied by a responsible adult and must have approval from the workshop director and the instructor to attend an adult class. Members of other AFMS regional federations may attend on a space available basis. Anyone not affiliated with AFMS may attend by paying an additional fee of $50. First-time workshop attendees and those taking a class for the first time will receive priority.

REGISTRATION PROCEDURE

Applications from members of SFMS clubs will be accepted as soon as the schedule is posted. Applications from other regional federations and the public at large will be accepted beginning April 1, 2009. Your club membership dues must be current and your club’s dues to the Federation must also be paid before you will be accepted as an SFMS member.

Workshop Tuition

NOTE: You are encouraged to pay the full amount at registration time. However, a $25 non-refundable deposit per person must accompany your registration. If you send a $25 deposit the remaining balance is due one month before the beginning of class. No reminders will be sent.

- Cost per person $310 double occupancy.
- Single room with private bath $470.
- Non members add $50.00 to all Tuition fees.
- Day Student or camper workshop tuition fee is $140 per person. No meals are included for day students or campers. They are available from and payable directly to the facility.
- Campsite fee (Wm Holland only) $120 per week.

If you have not received written confirmation of your application within 30 days, please contact the registrar or education chair.

Refund / Cancellation Policy

Refunds are at the discretion of the Education Chair and the Workshop Director; however no refunds will be made once the workshop has started. There is no adjustment for late arrival or early departure. No fee will be charged if a class is cancelled. If a refund is granted a $25 administrative fee will be retained.

Application Form

The application form is on the next page, along with the course offerings. Please read it carefully. Note that some classes are marked with an asterisk (*), meaning they are Intermediate or Advanced, and therefore may have prerequisites. Please do not sign up for these classes unless you have the required experience. Contact the instructor for more information on these classes.

About Instructors

All instructors for our workshop program are volunteers and are not compensated for their time and effort. THEY MAY CHARGE A MATERIALS FEE FOR THEIR CLASSES. THIS MATERIALS FEE IS NOT PART OF THE WORKSHOP TUITION. For additional information about our instructors, please visit [www.amfed.org/sfms](http://www.amfed.org/sfms).
