

Calling for Donations!

AFMS Endowment Fund 2021-2022

Cheryl Neary, Chair

Yes it is that time of year when I start asking for donations to the AFMS Endowment Fund!

The Endowment Fund was created to provide the Federation with a means to provide monies generated by the interest in the fund to support special projects, such as, junior badges, judges training, and digitizing of slide programs, just to name a few of the projects from the past.

Your donation can be either of an item with a minimum value of \$75.00 and a weight limit of five (5) pounds or you can support the Fund by purchasing tickets from your representative listed below. I request if you are sending a donation of a specimen that you please notify me via email at ciervo.neary@gmail.com or via my cell phone 516.449.5341 and leave a message.

Over the years we have had over twenty plus specimens. Why not make this the year to break that record and aim for a number in the thirties!

Each person, business or club that donates gets free marketing since each donation has the donors name and federation. People appreciate the beautiful items that have been donated over the years – mineral specimens, jewelry, spheres, figurines, sculptures and equipment.

Our next drawing will be in 2022 at the South Central Federation hosted joint event in New Orleans, Louisiana.

Tickets for the drawing are **\$5.00 per ticket or 5 for \$20.00**. You may purchase your tickets from your Federation's representative as follows:
